

Peer Review

Paper by _____ Response by _____

1. Do you understand your partner's main point? Summarize it here. What can your partner do to improve it, if necessary?

2. Are there any parts that still aren't clear to you? Mark them on the paper, and explain them here.

3. What further work does your partner need to do before turning a final version in? Be specific.

After you finish this worksheet, give it to your partner and discuss your comments.
